VICE VERSA

2024 Vice Versa Mysterons

Cabernet Sauvignon - Napa Valley

Tasting Notes

Our 2024 is crafted entirely from Cabernet Sauvignon from Ecotone Vineyard. Perched in the Crystal Springs AVA, just east of St. Helena beneath Howell Mountain, this exceptional site is rooted in volcanic soils, where thirty-year-old vines planted at high density by David Abreu yield fruit of remarkable concentration, freshness, and finesse.

The bouquet is deeply expressive, unfolding with dark cherry, cassis, wild sage, crushed iron, and an alluring veil of warm spice. Rich without excess, the palate is expansive yet beautifully composed, combining a silky texture with vibrant minerality and seamless balance. Finely powdered tannins glide across the palate, carrying the wine toward a finish of exceptional length, purity, and quiet power.

Soil: White Tufa

Alcohol: 14.8%
pH: 3.88
Production: 10 Barrels

Blend

100% Cabernet Sauvignon; 100% from Ecotone Vineyard in St-Helena.

Fermented in stainless steel tanks, 4 days cold soak, 28 days on skins, aged in French oak barrels for approximately 18 months, 80% new French oak barrels, no fining.

Bottled Date: June 1, 2026

Label Art

This sleek and otherworldly label features the image of an eclipse by NASA. Inspired by British psychobilly band Portishead's song Mysterons, about a fictional race of extraterrestrials.
